

Project Engineer - Wind Energy

Office Location: preferably Oldenburg (Germany), Madrid (Spain) or Latin America (other locations in the EU or North America are negotiable)

Working Focus: worldwide with the ability and willingness to travel intercontinental.

Main Duties and Responsibilities of the position:

- Project planning and development, designing and evaluating IEC-conform wind measurements, evaluation of wind measurement data, bankable energy yield assessments, due diligence and expert's opinion reports
- Managing wind energy project development
- Economical evaluation and planning of wind energy projects

Qualifications:

Degree (M.Sc, Dipl.-Ing.(FH), B.Sc. or PhD) in Mechanical Engineering, Physics, Industrial Engineer, Environmental Technology, Renewable Energy Technologies or similar.

Experience:

- ✓ Experience in technical and economical aspects of wind energy projects
- ✓ Experience in WindPRO, WA⁵P, Windfarmer or comparable software applications
- ✓ Experience in meso-scale CFD software applications (e.g. WRF and/or OpenFoam)
- ✓ Technical skills and familiarity with sector wind energy and wind meteorology
- ✓ Experience in wind energy consulting, site calibrations, long-term corrections and uncertainty assessments
- ✓ Project management experience in sectors such as energy, wind energy or industrial processes
- ✓ Experience in wind energy consulting, policy support and bankable energy yield prognoses
- ✓ At least 3 years of professional experience on the above mentioned subjects.

Skills:

- ✓ Excellent interpersonal and communication skills
- ✓ Ability to work as part of a team as well as independently
- ✓ Ability to manage own work effectively and to prioritize tasks
- ✓ Ability to manage a team and other staff members
- ✓ Excellent organizational skills and attention to details
- ✓ Excellent English language skills and preferably Spanish language skills. Additional other language skills are an advantage.

Salary and Benefits:

We value the contribution to the success of our business by our employees and in return, we offer a good salary or profit participation, depending on skills, qualifications and relevant experience.

Start of employment:

With immediate effect
